

## For Immediate Release

### **RFID4U and PROTRAIN LLC announce Scholarship Giveaway – 10 Free Online RFID Programs to be Awarded.**

Raleigh, North Carolina, August 18, 2008.

ProTrain LLC and RFID4U announced a scholarship giveaway of 10 free Online RFID industry certification training programs to ProTrain's continuing education college and university partners.

RFID is quickly becoming the standard technology for tracking goods in the supply chain, but it will only be effective if it is executed by properly trained and certified individuals. Demand for certified workers in RFID technology is high. Our online training portal gives you access to many libraries full of engaging, interactive course content, assessment features, and additional resources to maximize your learning. These e-Learning courses are designed to provide maximum learning in minimal time and offer a visually engaging, guided learning experience with highly interactive features, including assessments, rich simulations, and labs for practice.

The online RFID 500 package is valued at \$999 and includes\*

- 9 self directed Modules
- RFIDQ® Practice Test CD/Software
- vRFID™ Labs
- Mentoring Support
- Interactive, 'hands-on' simulations
- RFID+ Passport Book Authored by RFID4U
- Summary after each Module
- Knowledge Assessments after each module
- Progress Tracking
- Comprehensive Glossary

"We are honored that RFID4U has chosen us to offer the scholarship giveaway to our academic partners." said Betty Gardner, ProTrain LLC's CEO. "Ten lucky students will be receiving top-notch online learning from RFID4U, a worldwide leader in vendor neutral and vendor authorized RFID learning solutions."

The application deadline is September 22, 2008. Applications will be evaluated by a committee and the winners announced at the end of September. Scholarship recipients will be chosen based on answers to scholarship questions as well as answers to optional phone interview questions.
